

Here is the list of interview questions we brainstormed in class. Remember, this list is not exhaustive—you can ask more than just these questions. A quick Google search of “interview questions for profiles” will give you some more ideas if you get stuck.

- What is a major event that happened in your life?
- Are there any present day stories that tie in to that event?
- What experience(s) impacted or influenced your life?
- What are some important aspects of your life right now?
- Where did you grow up?
- Who inspires you? Why?
- What are your talents?
- What are your hobbies?
- What is your major?
- What do you want to do after college?
- What are your goals in life?
- Where do you see yourself in a few years?
- What obstacles have you overcome?
- What do you wish you could have done differently in life?
- Who is most important in your life?
- Are you happy with where you are in life? Why/Why not?
